6. SAFETY REPORT/MINUTES – The Safety Committee met on June 13, 2019. The following was part of the minutes of that meeting:
   • There were no accidents or near misses to report in Mora or Pecos during the month of May
   • There was one on-the-job injury to report in Mora. An employee responded to several outages due to a snow storm from the night before. While responding to an outage at Pendaries and placing the fuse with the extendo stick, snow fell on his face causing him to release the extendo for a few seconds. As the extendo started to fall, he reached for it with his right arm and felt a hard pull to his arm.
His arm hurt and was sore for the rest of the day. The following day, he noticed inflammation to his upper arm. He reported it to the HR Department first thing Monday morning. All necessary paperwork was filled out and a workman’s comp claim was filed.

- There were no on-the-job injuries to report in Pecos.
- There was one on-the-job incident to report in Mora.
- No on-the-job incidents to report in Pecos.
- A Journeyman had concerns about the fuel cards stating there have been times when cards do not work and the transaction is declined. Employee said he was made aware that they are allowed only three transactions per day. The General Manager told the employee he would look into this.
- The General Manager advised the committee that MSMEC received an application for a Journeyman Lineman. The applicant is a 4th year apprentice through the Merchants Program and only 4 tests away from topping out and becoming a Journeyman. Applicant has been scheduled for an interview.
- Manager Montoya is working with Tri-State to create a new logo for our Cooperative. Examples were shared with employees for their input.
- MSMEC has created a Facebook page. Posts will be for information purposes only. For now, only planned and unplanned outages will be posted. Utilizing this page is an attempt to minimize the number of telephone calls made during outages.
- A Two-Way Radio Communications Policy has been created. Manager Montoya will share the policy with the RESAP Committee. The policy is to ensure the whereabouts, safety and wellbeing of all cooperative employees using a 10 code to report to headquarters.
- The Linemen from both offices were trained on Pole Top Rescue, reviewed Fall Restraint Requirements, inspect and reviewed PPE. The field training exercise was held at the Pecos Office by Mr. Roy O’Day, OAEC NM Safety and Loss Control Director.

After further discussion and recommendation for approval, a motion to approve the Board Resolution presented, was made by Robert Baca and seconded by Virginia Mondragon. Motion carried unanimously.

14. NEW BUSINESS

a. MSMEC Operations Two-Way Radio Communications Policy Draft – Manager Montoya presented the Board with a draft policy setting standards for use of two-way radio communication in conducting Coop business in the field and allowing the reporting of emergency type situations. The policy will require company employees
to inform dispatch when the employee (unit) go into service, provide their location and report where they go out of service. Dispatch is then required to record the location when the employee reports his status. Use of the two-way radio with this reporting will aid the Cooperative in accounting the whereabouts of its employees and allows the employee to report emergency situation(s) should they come up. A listing of MSMEC 10-Code(s) for radio communication was identified and attached to this policy as Attachment A. A motion to approve the draft of the Two-Way Radio Dispatch Operations Policy was made by Virginia Mondragon and seconded by James Ortiz. Motion carried unanimously. Completed Policy with assigned number will be presented for final approval at our July meeting.
